The screenshot shows a Google Sites editor interface for a webquest. The page title is "MICHELAFIRSTWEBQUEST" and the main heading is "MY WEBQUEST". The navigation menu includes "Home", "TUTOR", "TALK", "TIPS/LES", "RESOURCES", "EVALUATION", and "CONCLUSION". The main content area features a large image of children at computers with the text "Click to edit text" and a paragraph: "At once, students take control of their learning, their growing problem-solving skills, and their ability to work together. This is a powerful learning experience. Webquests are a great way to help students learn to work together and enjoy learning!" Below the text is a "mediter" logo. The right sidebar shows a "Pages" menu with items: Home, TUTOR, TALK, TIPS/LES, RESOURCES, EVALUATION, and CONCLUSION. The bottom of the page includes a "mediter" logo, a "7" page number, and an "Erasmus+" logo.
